PROFESSIONAL INFLATABLES

- made of durable materials
- does not degrade over time
- superior elasticity, keeps its shape and color intact
- impermeable
- do not contain toxic components
- hypoallergenic

ABOUT PROFESSIONAL INFLATABLES

Waterboyz International offers inflatable towns, inflatable slides made of PVC - Industrial Tarpaulin, which is water and sun resistant.

- the slides have double, triple and quadruple stitches at key points
- all products come with accessories: transport and storage bag, one or 2 pumps (depending on slide size), repairing kit
- the slides have EN 14960 certificate (mandatory document for inflatable equipment)

Why do we use industrial tarpaulin PVC?

- 0.55mm thickness & 620g/m² density
- resistant to UV rays, which means that they do not fade or degrade when exposed to the sun
- high durability fire-retardant
- durable zippers
- the quality of print ink also meets the standards (not sticky or color fade)

They are also not affected by wind or weather and can be permanently placed in the desired locations.

PROFESSIONAL INFLATABLES

Where can professional inflatables be placed?

- indoor (malls, playgrounds, indoor playgrounds)
- outdoor (beaches, parks, swimming pools, fairs, bars, private events)

The price starts from 2,000 euros, does not include VAT (the price varies depending on the size and theme of the inflatable).

Inflatables are available from stock or to order, 100% customized.

FAQ

1. What are the age groups allowed to use the inflatables?

+3 years (maximum allowed weight 45 kg)

2. What does the package include?

The inflatable, the storage bag, one or 2 pumps (depending on the inflatable size) and the repairing kit.

3. Can you print other pictures or logo on the products?

Yes, we can.

4. What about size and color?

The size and color can be changed according to your requirements.

5. Can the inflatable be customized? Does involve other costs?

Send us details and a sketch or a picture of your requirements and we will quote you our best price.
