ABOUT ARCADE & REDEMPTION GAMES

In the early '70s, arcade games revolutionized the concept of 'fun', with games like Pac-Man, Asteroids, or Space Invaders becoming symbols of an industry that would experience even greater growth over the decades than even the film industry: the gaming industry.

Currently, family-oriented electronic gaming venues are enjoying a new wave of popularity, bringing people closer together in an ideal setting for socializing.

And like any other retro concept reinvented in the collective perception, these spaces are incredibly cool today.

Must-have games for your arcade gaming venue:

- Classic Arcade Games
- Redemption Games

Studies show that **Redemption games generate 30% higher revenue** compared to traditional token-based games. The machine dispenses tickets after each game, regardless of the user's play time. The game offers children a variety of exciting prizes:

- Plush animals
- Phone cases
- Toys and games

AIR HOCKEY

We provide customers with an interactive and enjoyable air hockey experience that will create unforgettable memories

Speed Hockey is perfectly suited for children aged 7 and up, offering a captivating air hockey experience. Specially designed for 2 players, with an attractive design that will grab attention and foster friendly competition among the youngsters.

Size: L212xW120xH102 cm
Number of users: 2 users
Power: 400 W
Weight: 250 kg

AIR HOCKEY

The **Super Hockey 2** game is perfect for stimulating a sense of competition between the two participants. The game is ideally suited for children aged 3 to 8, but can also be played parent-child. The score and synchronization (0:0) will appear on the display panel after each scored point.

The game encourages physical exercise of the limbs, reflexes, and quick decision-making.

Size: 140x60x65 cm
Number of users: 2 users
Power: 400 W
Weight: 38 kg

REDEMPTION CRANE CLAW

Each user will enjoy the challenge of using their dexterity and coordination to win their favorite toys. **Redemption Cute Cat** equipment will provide a fun and memorable experience. Perfect for amusement parks, residential areas, supermarkets, restaurants, and hotels.

Size: L70xW70xH190 cm
Number of users: 1 user
Power: 90-130 W
Weight: 70 kg

REDEMPTION CRANE CLAW

Happy Toy is specially designed for children aged 5 and above, providing an interactive way to win exciting toys. Using the crane arm, users can manipulate and grab various toys from a range of appealing options.

Size: L60xW60xH172 cm
Number of users: 1 user
Power: 100 W
Weight: 90 kg

BASKETBALL MACHINE

Luxury Basketball Machine is perfectly suited for children aged 7 and above, delivering a captivating basketball experience. Friendly competition will encourage sportsmanship and create an energetic atmosphere.

Size: L110xW255xH257 cm
Number of users: 1 user
Power: 220 W
Weight: 250 kg

BASKETBALL MACHINE

The **Kids Basketball Machine** arcade equipment from Waterboyz is perfectly suited for children aged 3 and above, providing a captivating basketball experience.

Size: L154xW85xH192 cm
Number of users: 1 user
Power: 220 W
Weight: 170 kg

LANE MASTER

Lane Master combines the physical fun of a traditional alley bowler with the flexibility of a video game.

- sensors detect the speed, angle and spin of the ball and is translated on-screen
- sold as two lanes with a striking marquee; allows for single or dual play
- operator adjustable number of frames per credit

Size: 290x160x290cm
Number of users: 2 users
Power: 230V/115V
Weight: 596 kg

ROBOT STORM

ROBOT STORM offers smooth and attractive 3D graphics that will please any arcade player. LED lighting gives the machine more life. No reloading of the cannon is necessary, just aiming and destroying the enemies.

One or two players sit comfortably on the bench and take control of the cannon by shooting ping pong balls on the screen. The screen is protected by a thick layer of plexiglass. The game puts players against the group of robots attacking Earth.

Size: 265 x 114 x 213cm
Number of users: 2 users
Power: 230 / 115V 500W
Weight: 280 kg

ASPHALT 9 LEGEND DX 5D SIMULATOR
